Come join us for the *Studio City Pop-Up Disaster Drill*

A fantastic opportunity to practice disaster response procedures.

Learn how to effectively support first responders.

Meet fellow *Studio City Neighbors* and build connections.

Work toward a shared goal of community preparedness.

What to Expect:

- The LAFD CERT Coordinators will conduct a Pop-Up Drill briefing promptly at 9:30 AM to outline roles and responsibilities.
- No prior disaster or first responder experience is required.
- Participants will walk through surrounding neighborhoods in teams to simulate response efforts.
